			1					1					1				1					1		

A 16x16 grid with a red and light blue checkerboard pattern. The grid is divided into four 8x8 quadrants by a horizontal and vertical light blue line. The top-left and bottom-right quadrants have a red and light blue checkerboard pattern. The top-right and bottom-left quadrants have a light blue and red checkerboard pattern. The grid is labeled with numbers 1, 2, 3, and 4 in the top-left corner of each 8x8 quadrant.

A 10x10 grid of alternating red and light blue squares, resembling a checkerboard pattern. The squares are arranged in a regular grid, with red squares at even indices and light blue squares at odd indices for both rows and columns, assuming 0-indexing from the top-left.
